0078. LEOPOLD MOZART TO CHRISTIAN VON MECHEL,¹ PARIS

*A Monsieur / Monsieur de Mechel / Rue St. Honoré / chez Msr. le Noir,
Notaire / vis à vis la Rue d'Échelle*

mon Ami!

[Paris, 9th January, 1764]

Yesterday, at 8:30 in the evening, we came back from *Versailles*. [5] Today I called on you after 1 o'clock at midday; I went to both sides. As proof of this I wrote my name on the blackboard. We hope to see you soon. May all go well with you. My children commend themselves.

*Ce soir le 9 Decembre 1764.*²

[10] I even went on foot to call on you; that is quite astonishing!

¹ BD: Mechel: cf. Nos. 0074/8; 0067/187-188. Travelled widely as engraver, art expert and publisher.

² "This evening, the 9th of December, 1764." [BD: Should of course be January, not December.]
